To Whom It May Concern:

Mr. Vincent Graceffo, a Canadian Citizen, passport number BC 222759 has been employed on board the Motor Yacht Andale for a number of periods over the past two years in the roles of 2nd Engineer and Ch. Mate.

Vince is employed with the yacht as a relief crew member and is suitably qualified and experienced to occupy positions on deck and in the bridge and subsequently is of enormous help to us achieving a busy schedule.

He has been on board to assist with three maintenance periods, two of which were in Italy at the builder's yard for warranty purposes and where his fluency in Italian was a huge benefit and most recently in Florida prior to our return trip to Europe.

Vince has completed two trans-Atlantic trips on board along with two trips from the Caribbean to Florida, and on each voyage has proved to be a professional and mature addition to the crew.

I have no hesitation in recommending Vince to other employers, his record with us has been exemplary and I have no doubt that is the standard to which he applies all his efforts.

Please feel free to contact me should any further information be required.

Yours truly,

Edward Cooney,

Captain, M/Y Andale.
